

PIPELINE OF THE FUTURE

Female Voc-Tech students in Massachusetts Construction-related Programs, 2019-20*

Program Title	Total students	Female students	% of females in trade
Painting & Design Technologies	170	149	87.6%
Sheet Metalworking	10	5	50.0%
Horticulture	683	288	42.2%
Agricultural Mechanics	159	63	39.6%
Cabinetmaking	123	47	38.2%
Automotive Collision Repair & Refinishing	877	258	29.4%
Masonry & Tile Setting	210	55	26.2%
Engineering Technology	1308	339	25.9%
Metal Fabrication & Joining Technologies	1235	282	22.8%
Diesel Technology	93	20	21.5%
Building/Property Maintenance	210	42	20.0%
Machine Tool Technology	1080	206	19.1%
Carpentry	2245	393	17.5%
Automotive Technology	2133	337	15.8%
Heating-Ventilation-Air Conditioning-Refrigeration	988	148	15.0%
Marine Service Technology	73	10	13.7%
Electricity	2256	252	11.2%
Plumbing	1400	144	10.3%
Stationary Engineering	43	2	4.7%
Construction Craft Laborer	137	5	3.6%
STATEWIDE TOTALS	15433	3045	19.7%

*Latest available enrollment data on C74 state-approved CVTE programs from [MA Dept of Elementary and Secondary Education](#)

PGTI's mantra: *We are in this together. There is no silver bullet.
We will never never never give up.*
